

Harvest Operations Corp. is a diverse energy company, based out of Calgary, offering exposure to conventional upstream oil and natural gas production and SAGD operations. We are focused on identifying opportunities to create and deliver value with an active development program and a technical approach taken to maximize our assets. Harvest is committed to protecting the health and well-being of our people, the public and the environment through every decision and action taken each day.

Harvest has an immediate opening for a **Marketing Representative/Analyst** reporting to the Manager, Marketing & Joint Ventures. This can be either a contract role or permanent position based in Calgary.

Key Responsibilities:

- Marketing logistics – working with pipelines and/or trucking companies
- Seek and evaluate new NGL/Crude marketing options with a goal to increase netbacks
- Prepare and distribute daily, weekly, and monthly reports
- Provide oil/NGL pricing and volume forecasts and input/update Form A's as required
- Maintain group databases, including market pricing and fundamental models
- Monthly accrual pricing and revenue verification (oil/gas/NGL's)
- Contract administration
- Liaison with accounting and operations groups on marketing related activities
- Provide support to the other marketing representatives as needed
- Any other assignments or projects when requested

Qualifications:

- Knowledge of NGL/Oil Marketing options and pricing
- University Degree or other related post- secondary education
- Minimum 5 years of oil & gas marketing/logistics/accounting experience
- Knowledge of Crude Oil Logistics Committee oil forecasting procedures preferred
- Experience with Microsoft Office (Excel, Word, PowerPoint) and software such as Petrotranz
- Superior communication and problem-solving skills
- Detail oriented self-starter with a high level of integrity and professionalism

This is a full-time contract or permanent position – depending on the situation..

Harvest Operations Corp. provides competitive compensation and a comprehensive benefit package including both short term and long term incentive plans. We are committed to providing ongoing professional development and opportunities for career advancement. Please visit Harvest's website at www.harvestenergy.ca to learn more about our company.
